Black Boys, Male Teachers, and Early Childhood Classroom Practices

By Nathaniel Bryan

Critical and necessary, this book provides a window into the education and lives of Black boys in early childhood settings. Applying portraiture methodology, Bryan explores experiences of Black boys and their male teachers in ways that affirm their humanity and acknowledge the consequences of existing in a white supremacist system. Bryan's nuanced and comprehensive portraits honor the voices of Black boys and their male teachers, and counter the one-dimensional and essentialist perspectives that proliferate in our schools, which Bryan identifies as anti-Black misandry.
