The Preschool Development Grant Birth through Five (PDG B-5) grants are available to states and territories to support early childhood services for children birth to age five. Funds support a needs assessment, strategic planning, family engagement, quality improvement, workforce compensation and supports, and direct services for young children. PDG B-5 grants support improved collaboration among existing programs as well as a mixed delivery system that includes child care and family child care providers, Head Start, state pre-kindergarten, and home visiting.
